## **Thanksgiving Outreach**

**11/22 @ 3:30pm**

This year the youth will be hosting a thanksgiving dinner here at the church. The dinner will begin at 4:30 and the youth are asked to be here at 3:30 in order to prepare. Each family is asked to prepare a dish for the event. We will have signups at the next parent meeting. Last year we were able to put together many boxes for local families but this year I would like them to have the experience of literally serving others. Contact me for more information.

**Thank  
You!**

**I owe a thank you to all those who have helped make this ministry, its outreach missions, and fundraising a wonderful success.**

**The chili supper and backpack ministry has relied heavily upon your support and hard work and you have come through on so many occasions!**

### **\*\*COAT DRIVE\*\***

We will be collecting old jackets for the help center. Take a moment and go through your closet and see if you have an old jacket or coat that you can get rid of.
